Key AFRH Development Objectives

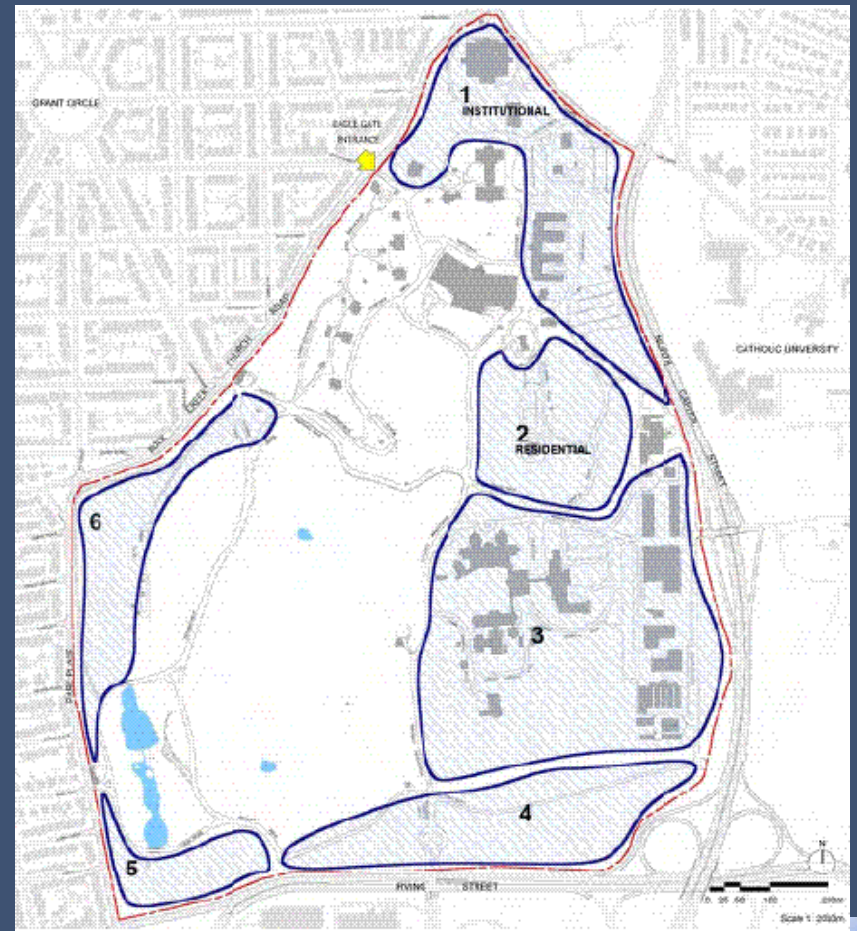

- Generate revenue to support AFRH's resident-centered care for current and future residents
- Provide uses that are complementary to the Home and of benefit to the existing and future residents
- Ensure the ongoing security of AFRH residents
- Encourage the adaptive re-use of historic buildings and the LaGarde Building
- Retain the character of the landscape and significant existing open spaces
- Respect the character of the adjacent communities and integrate the new development into the city fabric
