

Date: November 17, 2005

Amendment 3

Note: Page 36 of the RFQ is amended as follows:

Projects Underway

1. For the entity, each development team member, and key component, at a minimum to include the developer, architect and general contractor, list all projects currently underway as of the RFQ issuance date. Please provide the information using the format shown as Matrix E, as amended in Amendment 4 and a narrative of no more than one 8 ½" x 11" page per project. For each listed project, provide the following:

- a. Project name, type, location (including addresses);
- b. Summary project description including project size (total SF and SF per use), use and other relevant information such as anchor tenants;
- c. Project cost;
- d. Project schedule;
- e. Development team members; and
- f. Role of each key individual proposed for the AFRH-W project.
- g. Project completion - percentage
